IMPORTANT CONDITIONS OF PURCHASE

1. The FALLS CREEK SEASON PERMIT is available to privately registered cars only (less than 13 seating capacity). An "Early Bird" discount is available where the purchaser has submitted a correctly completed application form and payment prior to 30 April 2010.
2. All Resorts Season Permit price includes the cost of a 2010 Falls Creek Resort Entry Season Permit. The All Resorts Season Permit shall only be accepted as valid when displayed with the valid resort specific season pass, both of which must bear the same vehicle registration number. This permit enables resort entry to Mt Hotham, Mt Buller, Mt Stirling, Mt Baw Baw and Lake Mountain, subject to each resort's terms and conditions of entry, during season of issue.
3. Falls Creek Season Permits relate to a specific vehicle. The registration number on the permit must not be altered. The permit is not transferable and if a breach of this condition is observed the permit may be withdrawn. The permit must be permanently affixed to the nominated vehicle immediately after issue. The permit must be clearly visible and affixed to the right hand bottom corner of the front windscreen. Failure to display the permit will result in imposition of an Infringement Notice.
4. Vehicles with valid Falls Creek Season Permits entering Falls Creek Alpine Resort may use the entrance station express lane but must stop if directed for permit verification.
5. Where a vehicle with a Falls Creek Season Permit is sold or the windscreen broken, the permit must be removed and the parts (especially the permit number) returned to Falls Creek Resort Management for issue of a replacement. A replacement permit will only be issued to a vehicle registered in the same name as the original permit and proof of ownership via registration papers must be produced. A replacement fee of $20.00 will apply.
6. All signs must be observed 24 hours a day.
7. Vehicles must not be left in any position that would cause an obstruction.
8. The directions of Falls Creek Resort Management authorised officers must be properly obeyed.
9. Any relevant conditions of the Alpine Resorts (Management) Regulations 1998 or succeeding regulations must be observed at all times.
10. Personal Information collected from your Falls Creek Season Permit application form is used for reference purposes only. It is not provided or available to any other party.

Furthermore, you acknowledge that Falls Creek Resort Management (including its servants and agents) will not be liable for any loss or damage caused to any vehicle, or anything in the vehicle except where it was caused by its (or its servants and agents) negligence.
