A SMOOTH START TO YOUR TRIP

BOOK EARLY

As Falls Creek is a popular destination for schools, to avoid the possibility of your preferred dates not being available, we recommend you book your trip as far in advance as possible. School holiday periods fill up fast and there are many events on throughout the season. Call the Falls Creek Reservation Centre or check the events calendar on our website (www.skifalls.com.au) to help work out the best time for your trip.

READ YOUR CONFIRMATION DETAILS CAREFULLY

Once you have booked your holiday you will receive confirmation details by email. The onus is on you to read through this document carefully to ensure all details are correct. If you have any questions at all do not hesitate to call or email regarding your confirmation letter to ensure everything runs smoothly on your arrival.

CHOOSE LESSON TIMES

Once we have received your initial reservation, our Group Bookings Co-Ordinator will contact you to discuss lesson times, this ensures that you get the most out of your day as well as allowing us to schedule around our peak times.

ALLOW PLENTY OF TIME

Often the journey to Falls Creek and organising your rental equipment takes longer than first anticipated. This can create unnecessary stress for the group leader and possibly cause you to be late for your lesson. Make sure you have allowed enough time to fit your students. You can opt to collect your rental equipment the evening before if you are staying on mountain. If you are staying off-mountain or are on a day trip, a later lesson will ensure you have a pleasant start to your trip. We have a Falls Creek Sports store set up especially for School Groups located in the QT complex.

LESSONS

Lesson times available for school groups are 8.30am, 9am, 10.30am, 1.30pm and 3.30pm. All lessons are 1.5 hours. Please be on time for your lessons. If you have booked a morning lesson you will need to have all tickets and rentals organised the evening before. In some circumstances we may be able to arrange a private early fitting. Please contact us for information. Remember, many other people will have booked lessons throughout the day with your instructors so if you are late, you will still finish at the scheduled finish time.

WHERE TO MEET

Snowsports School: Lessons meet at the top of Halley's Comet Chairlift.

Rentals: Read your confirmation details carefully to ensure you collect your rental equipment from the correct outlet.

2. MAKE YOUR BOOKING

This information guide will help you to determine your group's needs. Payment is due a minimum of 7 days prior to your arrival. Payment must be received in full prior to the issuing of tickets. Payment must be made by direct deposit. Credit Card payments are not accepted. **Tickets will not be issued without payment.**

If a student loses their RFID pass there is a **\$5.00 replacement fee**. If we do not know which RFID card has been lost/allocated to which student you will need to purchase another pass (i.e. School Student 5 Day Lift & Lesson @ \$402.00) at the full rate rather than just the \$5.00 card replacement fee. Payment is required at time of replacement.

HELMETS

The wearing of an accredited helmet is compulsory for all children aged 3 to 17 years whilst participating in ski and snowboard school lessons or in any other snow sports program.

Equipment rental collection times and return times must be arranged prior to arrival. An electronic rental registration form will be emailed to you, the completed form must be returned to Falls Creek Ski Lifts at least 7 days prior to your arrival.

SKI AND SNOWBOARD LESSONS

Falls Creek's Snowsports School has an experienced team of local and internationally qualified ski and snowboard instructors, ensuring your students receive expert tuition and maximise their learning potential. Beginner lessons will ensure a quick and safe progression while the intermediate and advanced students will benefit from more advanced lessons and perfect their technique.

ABILITY BREAKDOWNS

Please ensure that you have sent an accurate breakdown of student numbers (skiers and snowboarders) to group bookings. We cannot allocate a lesson time to your group until this has been done. Please either email or ring your numbers through to groupbookings@falls creek.net or 03 5758 1000.

LESSON TIMES

You can choose from various lesson times however please understand that due to the enormous levels of business at times we may not be able to give you your first choice. All school lessons run for 1.5 hours. Please note the Group Bookings Coordinator will contact you prior to arrival to confirm lesson times. Lesson times are confirmed on a first in best dressed philosophy, so booking early is advisable.

WHERE TO MEET

All Snowsports lessons meet at the Student Groups sign located at the top of the Halley's Comet Chairlift. It is advisable to arrive at least 10 minutes prior to the start time. Please remember that instructors often have a very busy schedule with lessons booked throughout the day. If you are late for your lesson it will still finish at the scheduled time. Please be prompt or call in advance to advise you are behind schedule!

GROUP NUMBERS

We allocate instructors based on students/teacher numbers and ability/discipline levels. In some cases school groups with small numbers may be asked to join other schools or with our general public lessons. We strongly recommend that you do not allow your students to change from skiing to snowboarding (or vice versa) during the week. This upsets the groups as you will have total beginners in the new discipline who cannot ski/snowboard with your established groups

CONDITIONS

- Lessons start and finish at the same place except by prior arrangement.
- Teachers are not to interfere with an Instructors lesson
- Organisers are to rely on the Instructors knowledge with regard to class splits and organisation

KNOW YOUR ABILITY

Please use the guide below to determine your students' ability prior to booking your Snowsports lessons. Please remember all abilities can benefit from a lesson, not just beginners.

First Timer Never Skied/Boarded before (never ever)

Beginner **Comfortable on Green runs (had one or two lessons)**

Intermediate **Comfortable on Blue runs**

Advanced **Comfortable on Black runs**

Participant numbers and abilities should include ALL lesson participants i.e. any teachers joining lessons as well as students as this affects group sizes and number of instructors required.
