Thu 14 Feb 3°C 16°C Mostly sunny.

Possible rainfall: 0 mm      Chance of any rain: 0%

## TRAIL REPORT

After a long awaited cool change and some rain this week the trails are running fast. The dust is down and we are looking at a fine weekend for riding.

## MAINTENANCE

The entry of Wishing Well has been rebuilt and works on this trail will continue until Tuesday afternoon. Take care as the section is still quite soft. With MTB De Femme looming, works will re-focus on Wednesday into grass and foliage management on the trails in anticipation for this event.

## SHUTTLES & BIKE PATROL OPERATING EVERY WEEKEND
