Come join us at Victoria's premier cross country ski area. We have 70 km of trails and unlimited backcountry skiing.

Once again we are introducing revolutionary easy to learn skis and boots, ideal for secondary students to quickly and confidently learn stopping and turning techniques on cross country skis.

Super Special 3 day package \$260 per student

This package can be 3 consecutive days or conducted through out the season.

Day 1 . Morning 1.5 hr ski lesson and 2 hr afternoon tour with a hot chocolate from the cafe on return .

Day 2. Morning snow shoe environmental and history tour. The afternoon session includes igloo building and a learn to skate lesson in the nordic bowl.

Day 3. All day backcountry tour and learn to use a Trangia/ metho stove for lunch.

Price includes skis , snow shoes, tour and lessons. Free toboggan hire after each day and free coffee for teachers. Minimum students 8. Great value accommodation and meal packages available. Other adventures in the snow can include 101 snow camping, snow cave building, map reading and safety in the high country.
