Disc Golf Rules

Courtesy— Watch out for other users of the area including bikes and walkers. Always give way to other park users and take your litter with you.

Tee Throws — Each hole begins with a throw from the tee pad.

Lie — The spot where the disc lands.

Throwing Order— Lowest score on the previous hole throws first. After the teeing off, the player whose lie is furthest from the basket throws first.

Fairway Throws — Must be made from the lie. A run-up and follow through is permitted.

Putting— Within 10 metres of the basket, a player may not step past the lie when attempting to throw.

Completion of Hole — The hole is complete when the disc lands in the basket

Out Of Bounds — A disc is OOB when it is completely surrounded by the out of bounds areas marked on the map. A 1 stroke penalty is incurred and the disc is thrown from the point when it was last in bounds.
